

# Dave Skjong Driver of the 4th Quarter 2009

Wilson Lines, Inc.

Company driver **Dave Skjong** has been an over the road driver with Wilson Lines since February of 2008. He lives in Henderson, Minnesota with his wife Cathy. You might consider them newlyweds yet. They were married in October of 2009. Dave has a son in Oklahoma and a daughter in Illinois.

Dave was destined to become a truck driver when he was issued a Class A by mistake when he was 15. Dave has been driving approximately 28 years. He has pulled everything from cattle, to grain, to bulk, tanker, dry van and reefer. Dave enjoys driving because it allows him to see the country. Prior to Wilson Lines Dave had his own truck leased to Prime. Cathy road with Dave at that time. The truck had all the conveniences of a camper since they virtually lived in it. They even decorated it with lights one year for Christmas.

Dave was in New York on 9-11 and watched the towers fall down. Dave said the oddest load he ever hauled was \$10,000 worth of hot wheels toys for an individual when he worked for direct Service.

Dave is reluctant to ask for time off. He lets dispatch know he will keep going if we need the help.

Dave is willing to work when we need him. He is open to new technology.

Congratulation Dave being Wilson Lines' Driver of the 4th Quarter 2009!
